Duration

The duration of the course is 52 weeks including 12 weeks holidays.

Study Mode

The delivery method for this course is face-to-face classroom-based learning. Students have 20 contact hours per week for a total of 800 contact hours. Additionally, an estimated 400 hours of self-paced study for reading learner guides, research of subject learning material, completing learner guide activities and assessment tasks /activities is required.

Online learning

Students must attend class regularly as the course is delivered face-to-face in classroom. Australian Technical College Western Australia (Australian Technical College) strictly monitors the attendance and course progress. As part of training, learning materials are provided through online medium of IBSA. Online learning will not exceed one-third of the course online.

Transfer student requirements

A student transferring from other education provider must have completed first six months of their principal course of study before transferring to Australian Technical College. The student must provide the relevant documents as per Australian Technical College's Transfer Students – Documents Checklist along with Application Form. They must also read and sign the Information Provided to Students Before Enrolment – Checklist.

If the transferring overseas student already has a student visa and want to change their main course of study to a lower Australian Qualification Framework (AQF) level course, they will need to apply for and be granted a new student visa.

Please refer to Department of Home Affairs web site regarding changing courses.

Credit Transfer and Recognition of Prior Learning (RPL)

Nationally Recognized Training qualifications and statements of attainment issued by other Registered Training Organisations (RTOs) are recognized at Australian Technical College. Student may apply for Credit Transfer or RPL before enrollment. To get credit, students must submit all documentary evidences along with their application.

Units of Competency

| Unit Code | Unit Name | Elective/Core |
|------------|--|---------------|
| BSBADM502 | Manage meetings | Elective |
| BSBADM504 | Plan or implement administrative systems | Elective |
| BSBHRM501 | Manage human resources services | Elective |
| BSBPMG522 | Undertake project work | Elective |
| BSBHRM506 | Manage recruitment, selection and induction processes | Elective |
| BSBMGT517 | Manage operational plan | Elective |
| BSBRISK501 | Manage risk | Elective |
| BSBWOR501 | Manage personal work priorities and professional development | Elective |

Simulation Environment

Australian Technical College’s learning program includes Simulation which involves the student to complete or deal with a task, activity or problem in an off-the-job situation that replicates the workplace context. Both the practice and assessment tasks create an environment that requires the student to use both generic skills (decision making/problem solving) and technical skills relevant to each unit.

Assessments

Australian Technical College adopts a number of assessment tools. All students should demonstrate competency through each of the prescribed assessment tool. In general, the following assessment tools apply for this course:

- Projects
- Role plays
- Tests and Assignments
- Portfolios
- Case Studies
- Simulated workplace
- Reports etc.

Award Requirements

Learners may complete individual units of competency and receive a statement of attainment for that unit. To be eligible for Diploma of Business, the student should complete all the units.

Study Pathway and Career Opportunities

After successful completion of the BSB50215 - Diploma of Business students may progress to BSB61015 - Advanced Diploma of Leadership and Management or enroll for higher education. Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include:

- Administration Manager
- Program Manager
